National Touring Production of *Jack's Adventure in Space* to Perform Locally

Bright Star Touring Theatre, a national professional touring theatre company based in Asheville, NC, is visiting the area with their performance of ***Jack's Adventure in Space***.

Jack's Adventure in Space is the fast-paced tale of Jack, a young student who, almost accidentally, journeys through the solar system. Along the way he meets each of the planets and learns interesting facts about each. This show debuts in Spring 2019 and is best appreciated by Pre-Kindergarten through 6th grade audiences.

Each year, Bright Star Touring Theatre serves nearly 2,000 audiences in schools, theaters, libraries, museums and more across the country. Bright Star offers a wide variety of curriculum-based programs ranging from *Little Red and the Big Bully Wolf* to *Heroes of the Underground Railroad*.

Casting Director Emily Hubbard notes "We travel with everything we need and can perform just about anywhere. Our actors join us from all over the country and they sometimes visit ten different cities each week, playing a wide variety of characters. It's a great way for them to flex their acting muscles!"

The company performs regularly at the National Theatre in Washington, DC and has gained international attention, having visited Russia and Germany with their productions. Information about all their shows, including production videos, photos, study guides, and more, is available online at www.brightstartheatre.com, or contact Bright Star Theatre directly at 336-558-7360.
